

Manufacturer's Certification

Your Cool Roof purchased from Custom Metal Roofing, Inc., dba B & M Metals qualifies for tax credits under the Energy Policy Act of 2005 and as amended in the American Recovery and Reinvestment Act of 2009. This product:

- has the appropriate pigmented coatings that are specifically and primarily designed to reduce the heat gain of a dwelling unit when installed on the dwelling unit; and,*
- meets or exceeds the initial and aged solar reflectance requirements of the ENERGY STAR® cool roof program for steep slope roofs in effect at the time of installation.*

\$500 Maximum

This metal roof is an Eligible Building Envelope Component that qualifies for the tax credit allowed under §25C. Show this certificate to your tax preparer. Your tax credit could be up to 10% of the purchase price with a maximum of \$500. The tax credit is available through December 31, 2013.
